Step 7: Return to your desktop and right-click on the patient's folder to send to a compressed folder (Send to → Compressed (zipped) folder). A duplicate folder will be created with either a zipper or a blue "Z". Note: If following a Dual Scan Protocol, zip scans individually and label accordingly (i.e., "Patient Scan" and "Dental Scan").

Step 8: Upload your case on glidewelldental.com, then click and log in to "My Account". Note: Use Google Chrome when uploading your case; additionally, if you do not have an account, please contact us and we will set it up for you. Your scan can also be sent on a disc or USB drive via standard shipping methods if digital upload is not possible.
